Portfolio: omarwameed.github.io

PROFESSIONAL SUMMARY

Junior Front-End Developer specializing in responsive web applications with React.js, Next.js, and TypeScript, with hands-on experience building complete systems like a full Loyalty Management platform using clean, component-based architecture. Skilled at leveraging AI-assisted tools (Claude AI, ChatGPT, Gemini) to accelerate development, with an analytical mindset and strong communication built through customer-facing experience.

TECHNICAL SKILLS

Front-End Development: React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS

UI / UX: UI Development, UX Principles, Usability Improvement, Design-to-Code Implementation, Interface Consistency

Responsive Design: Responsive Web Design, Mobile-First Design, Cross-Browser Compatibility

Architecture & State: Component-Based Architecture, Reusable Components, Zustand (State Management), Scalable Front-End Architecture

AI-Assisted Development: Prompt Engineering, AI-Assisted Coding & Debugging (Claude AI, ChatGPT, Google Gemini)

Hardware & Technical Support: Printer Setup & Troubleshooting, Computer Hardware Diagnostics, IT Issue Resolution

Version Control & Tools: Git, GitHub, Debugging, Performance Optimization, Browser DevTools

Productivity: Microsoft Office (Word, Excel, PowerPoint)

PROFESSIONAL EXPERIENCE

Front-End Developer | Freelance | *Loyalty System*

- Designed and built the complete front-end for a modern Loyalty Management System (retail accessories business) using Next.js, React.js, and TypeScript.
- Built responsive dashboards for customers, rewards, purchases, notifications, and settings, styled with Tailwind CSS for a consistent, mobile-friendly UI.
- Implemented customer-management and loyalty-point workflows with reusable, component-based architecture and Zustand state management, ensuring consistent UX across devices.
- Leveraged AI-assisted tools (Claude AI, ChatGPT, Google Gemini) across planning, debugging, and implementation to deliver features efficiently under project deadlines.

Front-End Developer | 3 Months | *Darjah Recruitment Company*

- Developed and maintained responsive front-end user interfaces using React.js, JavaScript, HTML5, and CSS3.
- Translated UI/UX design requirements into functional, cross-browser web pages, improving interface usability and visual consistency.
- Leveraged AI-assisted development tools to accelerate feature implementation, debugging, and code review.
- Provided IT support by setting up and troubleshooting office printers and diagnosing and resolving computer hardware and software issues for staff.

Customer Support Representative | *Instagram E-commerce Store*

- Handled customer inquiries via Instagram Direct Messages, providing product information, pricing, and order-status updates, and resolving issues professionally.
- Managed daily customer interactions in a fast-paced online-retail environment, maintaining high satisfaction through clear, empathetic communication and a strong understanding of customer needs.

PROJECTS

Loyalty Management System

- Front-end Loyalty Management System with customer management, rewards, purchases, notifications, dashboards, and administrative interfaces; focused on responsive design and strong user experience.

Technologies: Next.js, React.js, TypeScript, Tailwind CSS, Zustand, Responsive Design, UI/UX

Front-End Sales Management System

- Built a responsive front-end interface for a sales management system with clear data presentation and smooth user interaction.

Technologies: React.js, JavaScript, HTML5, CSS3

SaaS Barcode Generator Platform

- Developed a web-based SaaS barcode-generation platform with a clean, responsive UI and dynamic barcode generation.

Technologies: React.js, JavaScript, HTML5, CSS3

PROFESSIONAL SOFT SKILLS

Communication & Collaboration: Effective Communication, Team Collaboration, Customer-Centric Mindset

Execution & Delivery: Time Management, Organization & Task Prioritization, Responsibility & Ownership, Ability to Work Under Pressure

Thinking & Problem-Solving: Problem Solving, Analytical Thinking, Attention to Detail, Adaptability, Fast Learning

EDUCATION & LANGUAGES

Education: Bachelor's Degree in Optometry Technology, College of Health and Medical Technologies

Languages: Arabic (Native) | English: B2, Upper-Intermediate (Professional Working Proficiency)
