Front-End Development: React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS
UI / UX: UI Development, UX Principles, Usability Improvement, Design-to-Code Implementation, Interface Consistency
Responsive Design: Responsive Web Design, Mobile-First Design, Cross-Browser Compatibility
Architecture & State: Component-Based Architecture, Reusable Components, Zustand (State Management), Scalable Front-End Architecture
AI-Assisted Development: Prompt Engineering, AI-Assisted Coding & Debugging (Claude AI, ChatGPT, Google Gemini)
Version Control & Tools: Git, GitHub, Debugging, Performance Optimization, Browser DevTools
Productivity: Microsoft Office (Word, Excel, PowerPoint)

PROFESSIONAL EXPERIENCE

Front-End Developer | Freelance *Loyalty System*

- Designed and built the complete front-end for a modern Loyalty Management System (retail accessories business) using Next.js, React.js, and TypeScript.
- Built responsive dashboards for customers, rewards, purchases, notifications, and settings, styled with Tailwind CSS for a consistent, mobile-friendly UI.
- Implemented customer-management and loyalty-point workflows with reusable, component-based architecture and Zustand state management, ensuring consistent UX across devices.
- Leveraged AI-assisted tools (Claude AI, ChatGPT, Google Gemini) across planning, debugging, and implementation to deliver features efficiently under project deadlines.

IT Help Desk Support | 6 Months *Darjah Recruitment Company*

- Provided IT help desk support, diagnosing and resolving software and hardware issues for staff.
- Set up and maintained office printers, troubleshooting technical issues to minimize downtime.
- Diagnosed and resolved technical errors, ensuring smooth day-to-day operations for staff.
- Contributed to the development and support of the company's core system, the ERP platform.
- Served as technical support for company training workshops, including Graphic Design and Career Path Orientation, preparing devices and equipment and resolving technical issues during sessions.

Customer Support Representative *Instagram E-commerce Store*

- Handled customer inquiries via Instagram Direct Messages, providing product information, pricing, and order-status updates, and resolving issues professionally.
- Managed daily customer interactions in a fast-paced online-retail environment, maintaining high satisfaction through clear, empathetic communication and a strong understanding of customer needs.

CERTIFICATIONS

IT Customer Support Basics *Cisco Networking Academy*
Completed: *October 2026*

PROJECTS

Loyalty Management System

- Front-end Loyalty Management System with customer management, rewards, purchases, notifications, dashboards, and administrative interfaces; focused on responsive design and strong user experience.
